

VISIBLE STORIES

REVEL IN THESE PRECIOUS MOMENTS FOR YEARS TO COME.

EXAMPLE HOME MOVIE ACTIVITIES

This is an opportunity to capture authentic moments with your family. We can film you participating in activities you frequently share together, or perhaps you'd rather use this as an opportunity to capture moments you wish you engaged in more often. It's up to you!

Depending on your family's personalities and the type of video you'd like to result from this experience, we can plan activities that are silly, funny, sentimental, energetic, quiet, or all of the above and more. The potential list of activities we can film is as unique as each family I work with.

If you're looking for some activity ideas, here are a few to get your started:

- * Baking/Cooking together
- * Swimming
- * Hiking
- * Ice skating
- * Hide and seek
- * Playing with your pets
- * Playing games
- * Arts and crafts time
- * Make a family music video
- * Build a blanket fort
- * Drawing with chalk
- * Science experiments
- * Water balloon fight
- * Flying kites
- * Blow bubbles
- * Jump rope
